Who we are

Kia ora. Our International team would like to introduce you to Lincoln High School, and the wonderful academic, cultural, artistic and sporting opportunities that await.

At Lincoln High School your child will discover their potential, learn values for life, and enjoy the many rich experiences life in New Zealand offers.

Our school has over 20 years experience of catering for students from other countries wishing to further their education. We have a very good reputation of high academic achievement, and for providing excellent pastoral care for our students.

Our students are encouraged to be respectful, reliable, supportive and resilient in all they do. Our highly trained and successful staff work alongside students to ensure everyone seeks to be the very best they can be.

Lincoln High School is a large and vibrant, highly successful school in the rapidly growing district of Selwyn and is situated 20 minutes from Christchurch International Airport, and walking distance from Lincoln University. There is a good bus system and our students either walk, bike or bus to school.

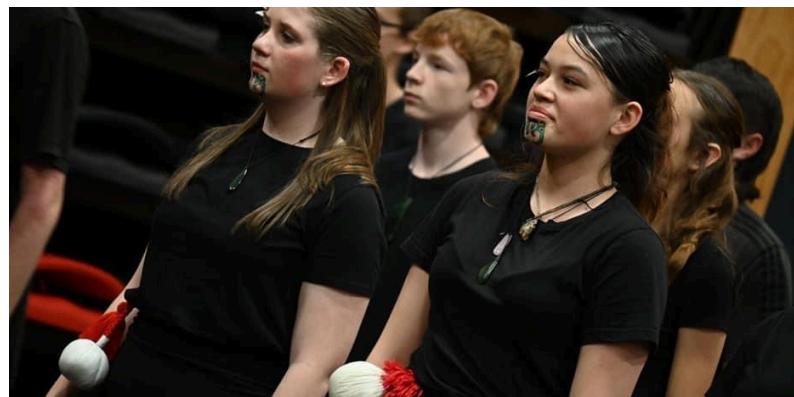

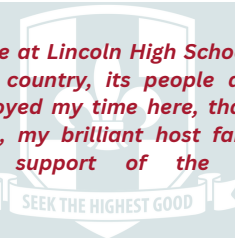

With a roll of 1450 students, Lincoln High School has a culturally rich community. The Lincoln area is well known for its connections with scientific, agricultural and environmental innovation and development. International students are an important part of our school and we have a boutique international programme, allowing us to support the individual needs of our students.

Located on the east coast of the South Island, Lincoln High School is close to both the sea and the mountains, providing a wonderful playground for those who enjoy opportunities for recreation.

The school warmly welcome students from around the world and offer a safe, caring and spacious learning environment with easy access to the attractions of a large city.

"During my time at Lincoln High School I learned a lot about this country, its people and myself. I thoroughly enjoyed my time here, thanks to many friends I made, my brilliant host family and the immeasurable support of the International Department."

Pastoral Care

The welfare of our students at Lincoln High School is our utmost priority. We have 24/7 care available.

The International Directors will be available to assist students, families and agents. We meet each student at the airport, along with the host parents. All international students will live in either carefully chosen families arranged by the school; with their parents or legal guardian; or a designated caregiver.

Our team arrange and monitor homestay placements for our students. These are carefully selected and matched to meet the unique needs of each student.

Each student participates in our orientation programme to familiarize them with their new environment. Each student also has a Linc teacher, Tutor, Dean and Head of Year.

There is also an excellent student counselling team available. Our staff are extremely friendly and helpful throughout your academic and cultural journey at Lincoln High School.

"I also enjoyed the different way of teaching and school life in general from my home in Germany. It was great learning in a more practical way, with all the teachers being more approachable, friendlier and more relaxed than back home."

Academic Programme

We are proud of our reputation for high achievement across many subjects. Our balance of academic, sporting, cultural and social opportunities creates an exciting and progressive learning environment. Our teaching staff are experts in their learning areas and are passionate about doing the very best for their students.

SCHOLARSHIPS

Extra-curricular Programme

The school also promotes the highest standards of sporting and cultural achievement. Lincoln students have the opportunity to compete in social, local, national and international sport. Music and cultural festivals are also available.

Sports:

Surfing, Skiing, Rugby, Netball, Football, Basketball, Badminton, Horse riding, Hockey, Touch Rugby, Mountain Biking, Rock Climbing, Volleyball, Tennis, Futsal, Clay shooting, Golf, Cricket, Swimming, Athletics, Cycling, Canoe Polo

Drama:

There is a major production every two years involving large numbers of students and staff. Senior drama students performances for each year level, Stage Challenge

Music:

Choir, Orchestra, String Orchestra, Jazz Bands

Outdoor education

Due to our location we have amazing facilities for learning outside the classroom right on our door step. Rock-climbing, mountain biking, kayaking, orienteering, tramping, snow skills, and first aid are just some of the activities that are possible. Participating in Outdoor Education allows a student to learn new skills and is an amazing opportunity to work with others and experience the beauty of Te Wai Pounamu, the South Island of Aotearoa - New Zealand.

"During my stay I learned things like kayaking and rock-climbing. I did a First Aid Course and travelled around New Zealand. I saw the beautiful beaches of Nelson, walked through the exciting streets of Queenstown and made many friends from both New Zealand and all over the world."

Houses

We have a strong and vibrant House system at Lincoln. Each student will belong to one of six Houses and have the opportunity to participate in a range of house events over the year. These include Athletics Day, Kī-orahi, Swimming, Lip-sync, Cross-country, Multi-sports and more!

Students are encouraged to wear their House colours and dressing up in colourful costumes can often win house points! At the end of the year the top house wins the Lincoln House Shield. As Houses are also strongly associated with Linc classes there is an ideal chance to develop and thrive off house spirit.
